

Hello fellow friends and rockhounds.

The Alabama Mineral & Lapidary Society is pleased to announce a NEW INDOOR SHOW!!!

The show will be held at the Bessemer Civic Center over Labor Day Weekend, Friday September 3rd through Sunday September 5th, with set up on Thursday.

We would like to introduce our co-chairs. You may remember Cathy Kellogg from our Tannehill shows and joining her is Ben Beadore. These two will be the ones in charge of the vendors and answering all the emails and questions.

We have a contract to fill out and it should have all the information you will need. We understand that we may not be able to fathom all the questions you as vendors will have so please feel free to contact us at amlsgemshow@gmail.com. If you plan on joining us, please fill out the contract and send your deposit in ASAP, but no later than August 3rd so we can plan the best show for YOU.

We would love to see your wares. Send a few pictures to our email. Let us know how you want to be listed in the program.

Set up will be held on Thursday, September 2nd. The building will be open from 10am to 4pm. We will be having a potluck during the afternoon. This will be very informal, come and go, not a sit down.

Loading and unloading: There is ONE drive-up entrance available for loading and unloading merchandise. Traffic will be monitored to help keep this area moving and all vendors will have the option to unload their merchandise on site. We will be asking that you unload and move your vehicle to a regular parking spot before taking merchandise to your booth. Club members will be on site to assist you in this process. This entrance can be used for customers to load large specimens WITH NOTICE. Please note on your application if you will be in need of this service so we can place you closer to the loading dock.

Do plan on wearing masks when interacting with the public. We are still unsure of the status of the pandemic and feel that masks are one of the best ways to keep us safe. Further details are in the contract. Again, please reach out if you have any questions.

We hope to see you all in September!
